## **TERMS AND CONDITION OF THE TECHNICAL EXHIBITION**

To register a stand at the technical exhibition at ICR, a registration form must be filled out and signed in due form and sent to the organizer of the event. The exhibition will take place at the dates and locations set out in the registration documents. The organizer has transferred the support service and execution of the exhibition to “top Messebau GmbH”, Aachen, Germany.

### **Exhibited goods**

All exhibition goods have to be listed in the registration form. The organizer is authorized to cancel the admission if it has been issued due to wrong data or if requirements for admission have not been fulfilled.

### **Rent of exhibition stands**

The exhibitor will receive a confirmation after acceptance of his registration. The position of the stands will be arranged by the organizer after the deadline for registration. Allocation of a certain stand position cannot be guaranteed. For assigning exhibiting rights – even only partially – to a third party, the exhibitor needs a written authorization issued by the organizer.

### **Stand layout**

The organizer has arranged the conditions of stand layout and design in co-operation with the company “top Messebau GmbH”. The exhibitor shall commit himself to follow these conditions. The exhibitor has to bear all costs of additional fittings and equipment, which have to be coordinated with “top Messebau GmbH”. The exhibitor is not permitted to glue, nail or drill into the exhibition material (displays, furniture, etc.) provided by the organizer. In case of non-observance, the exhibitor will be responsible for recourse.

### **Cancellation of the contract**

Registered companies, which have received a written confirmation, can cancel the contract free of charge until the official closing date for registration. After this date, 35 % of the agreed fee are due.

### **Terms of payment**

The exhibitor is obliged to pay the total amount of the fee within 14 days after the date of invoice.

### **No warranty and insurance**

The organizer shall only be responsible for entrance and exit security control during the opening hours of the exhibition. The organizer will not provide stand security control during set-up, dismantling or during opening hours. The organizer shall neither be held liable for theft of or damage to the exhibitor's own or rented goods, nor shall he be held liable for injury to persons caused during the exhibition, set-up of the stand or its dismantling or during transportation to or from the exhibition grounds. This shall apply to damages or losses caused by the exhibitor or his personnel, even though it is not a fault of the exhibitor or his personnel. The exhibitor assumes liability for damages, i.e. due to painting or gluing of hall parts, remains of glue on the floor, nailing or drilling into the floor, walls or ceilings. Therefore, we strongly recommend that exhibitors take out their own insurance against the usual dangers such as fire, theft and transportation of exhibition materials.

### **Catering**

Exhibitors are not permitted to offer own catering.
