CALL FOR PARTICIPATION

Scientific conference programme

Papers: Papers can be submitted for a 20-minute presentation. An abstract of min. 1 page with the title of the paper (in German and English), names, addresses, fax-number and e-mail of the authors can be mailed to the address below. **Please specify the presenting author and the used language.** Papers which have already been published or orally presented elsewhere are not acceptable for presentation at this meeting. The organiser has the authority to select from the papers submitted those to be presented. Authors will be informed about the **decision by the middle of April 2016.**

Deadline: The deadline for submission of abstracts is **March 04th, 2016.**

Preprints (English only)

The **ready for press** manuscripts of the papers **must be submitted** in Höhr-Grenzhausen by **August 02nd, 2016** in **English**. Proceedings will be available at the meeting.
